

EMERGENCY PROCEDURES

**What happened? Where (Map location)?
Condition of Athletes & Boat(s)? How Many?
Who (Bow Number)? Events Affected?**

**Contact Emergency Operations Center:
Radio Channel "1" or Dial 911**

Safety Launches - Respond and Rescue

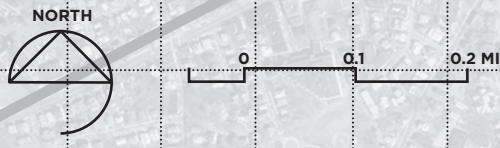

River Control - Respond, assist Safety Launches, divert traffic and protect rowers and emergency personnel, transport, clear course.

Umpires - Direct traffic, Stop race if necessary.

Do not attempt to move an injured athlete unless you suspect an immediate life-threatening emergency.

If another launch arrives before Safety Launch, secure the scene, assist as necessary if Safety Launch is delayed.

Take notes for report.
